## KNEW OF COOK'S CLAIM

Whitney and Prichard Were out north in 1000, and that the lee was "Greatly to be Deprecated." Told

The Cabin Boy on the Peary Ship Kept Dr. Cook's Secret-He Was Cautioned by the Brooklyn Man to Tell No One.

here at daylight yesterday morning and boy on a day when he, Murphy, was "W. reported the Roosevelt traveling south absent at Etah. last evening, and the buildings of the absent at Etah, present a holiday appearance.

Saturday at Battle Harbor by William first time on entering this port. It is Pritchard, cabin boy and assistant cook a standard United States flag with a on the Rossevelt, two persons knew as bread white band laid on diagonally long ago as last April that Dr. Frederick from the Union corner down. A. Cook claimed be had reached the pole On the white ground are the words, on April 21 of 1908. These persons are "north pole," in black letters. Coming Harry Whitney, a wealthy sportamen into Sydney a Canadian ensign, presentof New Haven who is at present on the ed to Peary at Battle Harbor by the Greenland coast on hoard the steamer captain of the Canadian government ves-Jeanie, and Pritchard himself. They saw sel Tyrian, will decorate the foretopmast Cook at Annotok, Greenland, after his of the Roosevelt. The Peary Arctic club return from the north.

of the Peary party that he believed that from the peak of the spanker gaff. Dr. Cook had reached the pole, Pritchard kept the news even more faithfully and his statement of Saturday was the first intimution that he had any information on this subject. Pritchard explained Knetser and Bergen.

Knetser and Bergen.

At Chicago 3, New York 2, Joseph Chamberlin. He was made a Saturday that he kept the news to him-batteries. Brown, Pfeister and Moran; baronet in 1904 and a baron in 1905.

came south on the Roosevelt, that there was going to be a controversy, whereupon he declared that Dr. Cook had cautioned him not to speak to anyone until he reached civilization. Pritchard's reticence with this important news in o everybody on board the Roosevelt.

In the beginning, Pritchard told the correspondent that Cook had talked freely to him at Annotok with regard to his dash over the ice, indicating to him on a map the route he had followed. Kleinow; Douane, Joss and Clarke.

Later Pritchard modified this by saying. At Boston, Boston 6, Chicago 5, batthat Cook's story was related to Whit- teries, Pape and Donahue; Suter, Smith, ney, and that he, Pritchard, was present and Payne, had only two Eskimos with him at the stone; Summers and Stanage.

At Washington, St. Louis 3, Washington 2, batteries, Rose and Killifer; Forepossible for Pritchard to talk with these Eskimes.

John Murphy, the bontswain of the Roosevelt, who was ashore with Pritchand when Dr. Cook appeared at their station, was greatly astonished when informed of Pritchard's knowledge. Murphy declared that Cook talked with him on several occasions while they were together about his trip on the ice, but said nothing about having reached the pole. Cook limited his information to Murphy to the fact that he had crossd the eightyseventh degree, which was Peary's farth-

# Your Idea About Clothes

You may have an idea that our store and our clothes are not very different from other clothes-that it doesn't make very much difference where you buy your suit or overcoat -nor very much difference what you buy.

When you come here and ask for Hart Schaffner & Marx clothes, you'll realize that such an idea is a mistake. These clothes are different-they're all wool, and that's unlike most clothes offered to you. They're perfectly tailored, and correct in every detail of style, and they fit.

It's such clothes as these that make this store different-you can't buy them elsewhere. You'll see the difference when you come

The strictly Hart Schaffner & Marx Suits and Overcoats from \$18 to \$27.50—other new stylish models as low as \$10.
